

# DNA and BSA binding mode of selected azaheterocycles

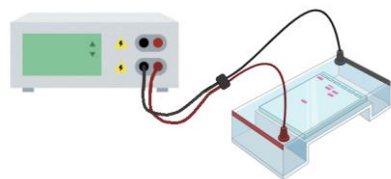

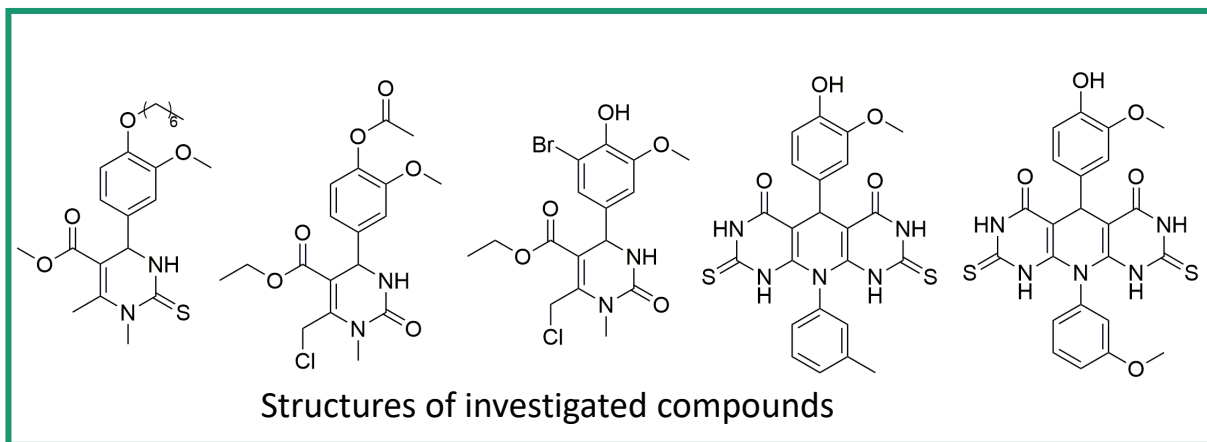

Network for Equilibria and  
Chemical Thermodynamics  
Advanced Research  
COST ACTION 18202

Origin institution:  
University of Kragujevac, Serbia  
Emilija Milović

Host institution:  
University of Burgos, Spain  
Dr. Natalia Busto

## Applied methods:

- Agarose gel electrophoresis
- UV-vis absorption titrations
- Differential Scanning Calorimetry (DSC)
- Native polyacrylamide gel electrophoresis (PAGE)
